

11-4-11

Dear Sirs:

This letter is to protest the  
outrageous rate increase requested by Duke  
Energy.

As a retiree on Social Security I have  
not received the COLA for the past two  
years. At age 82 I still work part time  
just to make ends meet!!

A 17% increase for Duke is ridiculous!  
In my opinion they shouldn't receive more  
than 4-5% increase, especially considering  
the poor economy!

My protest is regarding Docket  
No. 2011-271-E.

Please do what is right.

Sincerely,

R. E. Mitchell
